Celebrating God's Work Looking Ahead By Faith

Dear Friends and Partners in Ministry,

Greetings in the precious name of our Lord Jesus Christ! As we reflect on the past year, our hearts are filled with gratitude for the incredible ways God has moved through Agape Gospel Mission. Your unwavering support and prayers have been instrumental in transforming lives and spreading the Gospel across Ghana and beyond.

In 2024, we witnessed remarkable growth and impact in our ministries. From the smiles of children at Agape Children's Home to the vibrant worship at Agape House New Testament Church, God's hand has been evident. Our churches have expanded in Nigeria, Sierra Leone, Benin, Zambia, and Liberia. Our Pastoral Training Program at Agape Bible College continues to equip leaders who are making a difference in their communities. And our Media Ministry is reaching millions of souls with the message of the Gospel.

As we look ahead to 2025, we are excited about the opportunities to further God's kingdom. We invite you to explore this catalog to find updates on our work and discover new opportunities to partner with Agape Gospel Mission in the coming year. Together, we can achieve even greater things for His glory.

Thank you for your partnership and may God richly bless you.

In His Service,

The Rescue fund at Agape Gospel Mission provides funding that enables us to rescue orphans and vulnerable children and accept them immediately into residential care. The rescue fund bridges the gap for the first six months of a child's stay as we solicit ongoing monthly support for the children from recurring donors. The funds are used to care for a child as we raise child sponsors, and to provide for the additional costs of intake such as vaccinations, medical assessment, and initial treatment and clothing.

REACH

In the year 2000, I was lost and in need of deliverance when I came across Pastor Whitcomb preaching on the radio. I gave my life to Christ that day, and things have never been the same! I was instantly delivered from hallucinations and demonic attacks.

I began to read the Bible and attend church. I have never looked back and have walked faithfully with Jesus ever since. I currently work as the Station Manager at an FM radio station. My wife and I are very active in our church and are faithful to all that God has for us to do.

Thank you for leading me to Christ. Without your radio program I do not know where I would be today. Because of your faithfulness to reach others via media, you have helped countless people like me to enter into a relationship with Jesus Christ.

RAISE

I answered God's call to full-time ministry in 2015 and enrolled at Agape Bible College. It was a life-changing experience! I learned so much both in the classroom and in practical ministry experience.

In 2023, I earned a Master's degree in Pastoral Care and Counseling from Trinity Theological Seminary. Today, I am serving in the Missions department at Agape Gospel Mission, helping to oversee our growing fellowship of churches. I am who I am today by the grace of God and the ministry of Agape Gospel Mission.

RESCUE

I was two years old when my family traveled home to our village for Christmas. We were involved in a terrible road accident, and my parents died on the spot. God miraculously spared my life.

Agape Children's Home took me in and raised me with great love and care. I am so thankful to God and to Agape for all they've done for me. This year, I graduated from the University of Ghana with a Bachelor of Laws degree.

Thank you, Lord, and thanks to all who have helped me along the way. The best is yet to come!
